Please list your apparatus (engines, tankers, ambulances, off-road, tech-rescue, support, command, boat, trailers for haz-mat or SCBA refilling).

Items like brush fire tools, wilderness rescue or tech-rescue equipment may be added in the description field.

Are you swift water rescue certified, tech rescue certified, or have anything special that we can add to the guide cards?

For EMS agencies, if your ambulances are equipped as BLS, ALS, or Paramedic, please add.

EQUIPMENT:	DESCRIPTION (Gal. of Water, Specialized Tools, Any additional information on vehicle)
(Engine 1)	(1,000 gallon pumper, JAWS, airbags, cribbing.)

FIRE & EMS AGENCY INFORMATION FORM PAGE 2 OF 2

Do you have any pre-determined Landing Zones in your town? If so, please document them, so in the future, we will have all of the coordinates for Med Flight.

Location Description:	Latitude:	Longitude:
Landing Zone 0: Ball Field across from Elementary School	N 43 52.245	W 72 38.721
Landing Zone 1:		
Landing Zone 2:		
Landing Zone 3:		
Landing Zone 4:		
Landing Zone 5:		
Landing Zone 6:		
Landing Zone 7:		

Do you require any Automatic Mutual Aid? These agencies would be dispatched at the same time as yours. List the agencies you require automatic from and which resources are required (additional fire departments for a working fire or an accident with entrapment for JAWS, or First Response for medical calls.)

Working Structure Fires (1 st Alarm):	0) Anytown Fire / 1 Engine, 1 Tanker
	1)
	2)
	3)
	4)
MVA's w/ Entrapment (JAWS):	1)
	2)
EMS for Fire Standby:	1)
First Response for Medicals:	1)
All calls:	1)

Currently dispatch policy mandates that without an acknowledgement from a fire officer or apparatus, a Mutual Aid Department will be dispatched at the five minute mark after a re-tone is performed. For this purpose, what agency/agencies does your department want dispatched?

Agency	Location(s)	Notes
